Hi Stacy,

I am sorry to ask again but is there any chance you can update the SoC binder browser? The two decks attached would be for tab 3 – pension solvency and can replace the deck that is already there.

Thank you!!

Hi Boafoa,

Apologies for the delay. I have attached the materials for the major projects meeting tomorrow morning. Copies of the material will also be brought to the meeting.

Please let me know if you require anything else.

Have a good evening,
Jonathan
