There are Regulatory Registry postings meeting your request:

Dates: Posted Today

[Proposed amendment to Regulation O.Reg. 210/11 under the Ontario Infrastructure and Lands Corporation Act, 2011](#)

The Ministry is proposing to amend the regulation O. Reg. 210/11 in order to specify that Infrastructure Ontario may provide refinancing to non-profit, social and co-operative housing providers where certain criteria have been met.

[Regulatory amendments to O. Reg. 314/15 \(Ontario Electricity Support Program\) made under the Ontario Energy Board Act, 1998, that would support the implementation of Ontario's Fair Hydro Plan.](#)

The Ministry of Energy's proposed amendments would, if approved, take steps toward increasing the existing Ontario Electricity Support Program (OESP) credits by 50%, and expand eligibility to some consumers who are not currently eligible for the program.
