Hi Dianne,

I was just in touch with Joe. Further to my last email, here are the assessment notes for the two fast track profile items for tomorrow's Cabinet meeting.

Joe will follow up with an email with a description for the SOC binder or, if you're publishing the SOC binder today, he can update the binder.

I've copied him on this email,

Thanks,
Leah

Hi Greg,

Can I ask for a favour this week, can your team send Fazim (copied) the 3 fast tracking profile items in PDF via email since most of our team does not have binder browser access off site. Fazim can then print and prepare the green folders for Cabinet?

Then of course when the DS is final can you email as well later on.

Thanks for your extra help this week.

Joe
