Small business addition by 4:00 p.m. today.

Let me know if there are any issues with timelines.

Thanks,

John

Subject: MYAP Priorities Document

Hi Shamira and Martha,

As discussed earlier this morning, could you please insert the two new sections into the priorities document based on available information (recognizing that there will be gaps). I have attached the latest with placeholders for the items. Also please review the document for any updates since last Monday.

Please send back with any updates and the additional sections by 4pm today.

Thank you and apologies for the very quick turnaround.
