FYI - some Q/As from energy on questions we asked them Friday.

We also received a new deck last night, Steven got from Serge. I haven't shared with PO as I gather Steven talked to Serge last night as well so there might be some nuances. I'll flip to you and my comments to Steven on the deck but if you can keep close to you that would be good for now.

Thanks!

Hi,

We received energy's answers to many questions from our Friday meeting. Karen and I have both reviewed and they are pretty good. There are still some questions of course for MP tomorrow but the attached helps answer some of the outstanding points.

Will share further thoughts on their latest submission later tonight or tomorrow morning.

Thanks,
Martha
