Hi,

Wanted you to be aware that housing is being pulled in a bit on the energy submission on rate relief. This came up at cabinet I guess and where we may be landing is for energy and mHO to report back on options, hoping nothing more for this week. Will keep you posted.

Thanks,
Martha

Hi all, attached are the three slides - MO is fine with these, with caveat they may want to follow up and include some additional considerations. We're looking into it and will keep you posted.

Thanks,
Aisha

Thanks Laurie. Can you please include Martha on the slides as we're trying to keep up with everyone's input as we concurrently write the pink note.

Thanks.
