Hey Karen and Kelly,

Watch list items below – can you highlight your picks.

Kelly - we provide this product to the DMO on a weekly basis so the DM can stay apprised of updates on key files that are part of the government's Multi-Year Action Plan. The DM has a meeting with PO and the SoC every Tuesday where he uses this document.

You can highlight which files for the week you think are worth making updates to and flagging for the DMO. I am attaching our latest MYAP Watch List for your reference. If you have more questions on this you can come and see me!

Once you both pick, I will set up the list on the shared drive and send to appropriate advisors for updates.

Thanks!
