Thanks – I will follow-up with Nancy on the minute, as well a few small, streamlining edits I propose to the section of the note re: the MAESD proposal (in the attached).

Thanks for your quick review,
Michelle

I have no comments. I just want to ensure that MAESD's Minute is included in the latest CBN.

Thanks,
SM

Hi,

My understanding from Nancy is that an updated version of the note will be walked into Cabinet today (will be printed by 10 a.m. at the latest this morning):

I am going to flag for Nancy the following change I discussed with her yesterday to the minute that isn't reflected in the version attached:

MAESD will implement transitional employment supports for youth, working with Employment Service and Youth Job Connection service providers, to support employer hiring and retention of youth beginning January 1, 2018.

If you have any key edits to the note, can you let me know by 9:30 a.m. and I will flag for Nancy, too.

Thanks,
Michelle

Hi,

Here is the close to final CBN on the small business item that I just received from 6th floor (6th floor is following up on the proposed minute). I inputted into and MAESD reviewed an earlier version. I was hoping to share an earlier version (at the same time as it went to DM Davidson) for your review but my understanding it has been DM reviewed and is being finalized shortly for distribution to ministries this evening. I wanted to let you know.

Thanks,
Michelle
