Hi Rhonda,

Here are comments on 6 of the 7 you sent me. I think we need to be careful as in only a couple of the documents are we clear this is a pre-tax rebate, that is important i think.

As well, on ICI, in some places it's captured well, that over 1000 customers are eligible and COULD see a decrease but in one document it says when fully implemented, over 1000 will see a decrease we know that not all 1000 eligible will sign up for ICI, energy expects an update of 25% so approx 300 new.

Thanks,
Martha
