Ewa – please use this version in place of the one john sent last night.
John – last night's version didn't seem to have the updates on NAFTA and cannabis I had asked for. I know nancy was still working on small biz so perhaps they are in that version she is doing but I updated based on the emails I have on those two.

Thanks!

Hi,

Here are our updated MYAP bullets noting we still need to update the small business one based on a discussion with Dan yesterday evening.

Thanks!
