Hey Martha,

This week's watch list attached – only four items from our end as per DMO's request. We've tracked changes since these items were on the list last week.

Cannabis
Transit
Energy Issues
Ring of Fire

Thanks to David and Karen. Will aim to send to Rob by Monday EOD once you are comfortable with the document.

Hey Martha,

Will have this to you either tonight or this weekend to review – just getting final inputs from David and Karen.

7 items in total so will not be a lengthy review.

Thanks,

Hey Rob and Karen,

So we will be calling this the “ MYAP Watch List”.

Rob has made his suggestions for our list below:

Cap and trade
Corrections
Ring of fire
Transit
Energy – LTEP release, ont-quebec and maybe others

Let me know if you're comfortable with these or if you want some removed, and if you want to add other ones.

Same idea and format as last week when we provide the DMO with the updated document. I've attached this week's document for reference.

Thanks,

John Johnston
