Here are proposed edits from ETI.

Martha, have proposed a few changes to Small Biz to show progress, though really don't have much at this point. Also, since no strategy yet, risks are difficult to identify.

Hi,

With John back Monday, can you both update the MYAP document and flip to him for mid-day and we can then get to DM for end of day?

Thanks!

Fyi – for next week; also flipped JSVs email to PO.

Also a reminder to update to the MYAP priorities doc for EOD on Monday (and add in those priorities that are missing).

Have a great weekend!
