Hi Bryan,

The Fair Hydro Trust Debt Offering also known as OPG's second debt offering will be occurring in the month of **April 2018 – likely during the 3rd or 4th week.**

For the **first issuance**, Energy posted a statement via Newsroom with no distribution in Feb. 2018: <https://news.ontario.ca/mei/en/2018/02/statement-from-minister-of-energy-regarding-ontarios-fair-hydro-plan.html> + OPG issued their own NR.

For the **second issuance**, Energy would like to at very most, include a quote from the minister in OPG's NR (so no Newsroom statement/products).

Let me know if you have any questions or concerns with the approach.

Thanks so much,

SARAH YOO
