Hi,

Attached is an updated note reflecting your comments and some comments we received from Karen Hughes earlier as well. Based on the email this evening, I am not sure how to fully capture scott's concerns, but they are all referenced I think in the risks section.

I have attached a tracked version so you can see and then a clean version (the clean still includes all the comments though).

Happy to share this out to others in the morning if you'd like.

Thanks,
Martha
