

Affordability Fund Presentation to the Energy Table

November 22, 2017

What is it?

- In March 2017, the Government of Ontario established the Affordability Fund as part of the Fair Hydro Plan.
- The Affordability Fund provides assistance to households who do not qualify for low-income conservation programs.
- Eligible customers will benefit from upgrades to their home that will help make it more energy-efficient and reduce their electricity bills over the long-term.
- The Affordability Fund is governed by an independent Board of Trustees comprised of representatives from both the social service and utility sectors.

Who qualifies?

- The Affordability Fund has been designed to target those electricity customers who are above the poverty line, but who are feeling the burden of their electricity bills.
- To be eligible, individuals:
 - Self-identify as needing assistance with their electricity bill;
 - Must own, rent, or lease a primary residence in Ontario; and
 - Must be the utility account holder named in respect of the residence.
- Individuals who qualify for the Home Assistance Program, Low-Income Energy Assistance Program and the Ontario Electricity Support Program are not eligible for the Affordability Fund.

How to apply?

**Afford
Ability
Fund**

Applications can be made online by visiting :

[Affordabilityfund.org](https://affordabilityfund.org)

or by calling:

1-855-494-FUND

Applicants will only have to answer 4 simple questions to get the process started.

The screenshot shows the Afford Ability Fund application form. At the top, there are three logos: 'Afford Ability Fund' in English, 'Yes Oui' in French, and 'Fonds pour des frais abordables' in French. Below the logos, there is a section for questions. The first question is 'Are you finding your electricity bills unmanageable?' with radio button options for Yes, No, and Sometimes. The second question is 'Have you recently fallen behind on your electricity bills?' with radio button options for Yes, I am currently behind in my payments; Not now, but recently I had some trouble; and I pay my bills on time. The third question is 'Are you currently enrolled in any financial assistance programs to help with your electricity bills?' with a checkbox for each of the following: Ontario Electricity Support program (OESP), Low Income Energy Assistance program (LEAP), Home Assistance program (HAP), Other (please specify), and None. The fourth question is 'Which of the following products that could help you save on electricity are you able to install only with financial assistance?' with checkboxes for Block Heater Timer, Smart Power Bar, Efficient shower heads, Aerators, Domestic Water Heater pipe insulation, LEDs; Refrigerator, Freezer, Window air conditioners, Dehumidifiers, Programmable thermostats; Heat pumps, Comprehensive draft proofing, Attic insulation, Wall insulation, Basement insulation; and None.

Afford Ability Fund **Yes Oui** we can help ease what you spend on electricity. **For good!** nous pouvons aider à alléger vos dépenses en électricité. **Pour de bon!** **Fonds pour des frais abordables**

* denotes required fields

How does it work?

What type of assistance is available?

- Eligible customers will benefit from upgrades to their home that will help make it more energy-efficient and in turn, will reduce their electricity bills.
- Upgrades include:
 - Energy efficient power bars, block heater timers, efficient shower heads, LEDs or aerators;
 - A refrigerator, freezer, window air conditioner, dehumidifier, programmable thermostat, heat pump, comprehensive draft proofing, attic insulation, wall insulation and/or basement insulation (with an in-home visit).
- The types of upgrades provided are relative to the support required by the customer.

What is the current status of the Fund?
