Hi Deputy,

As discussed, attached is a proposed memo and below is a list of the top 5 initiatives that Michael has worked on (from the Director's perspective).

Top 5 Initiatives:

1. LTEP 2013 and LTEP 2017
2. Fair Hydro Plan
3. Hydro One share offering
4. Strengthening SNAP (formerly RASP) – adding analytics, mapping, Indigenous, Transmission, and Innovation
5. Strengthening Indigenous relations – FN/ON Energy table, Grievance table, Remotes, Constance Lake First Nation etc.

Let me know if you have any thoughts or changes to the memo. The aim would be to send this out on Thursday morning just prior to MCI's announcement.

Thanks,
Martin
