It is with mixed emotions that I announce Megan Biggs is leaving the ministry to pursue a secondment as a Senior Communications Advisor with the Information and Privacy Commissioner of Ontario (IPC).

Megan has been a pillar in the Communications Branch for the past seven years. Her strong strategic communications skills, industry knowledge and quick sense of humour will be greatly missed by her colleagues. She expertly managed all the strategic communications products for the March announcement of Ontario's Fair Hydro Plan and is always willing to lend a hand or an ear to a colleague in need.

Megan's last day at ENERGY will be Thursday, December 21, 2017. Please join me in congratulating her on this exciting new assignment and thanking her for all her help.
