Good morning Deputy,

Following yesterday's LRC Net Metering meeting, CRED has updated the LRC NM deck and approval form based on yesterday's discussions. Following your approval, we will share the attached with MO and then forward the full LRC NM package to CO.

The tracked and clean versions of the deck and approval form are attached. This way you can review the additional changes that were made following yesterday's discussions. Please let us know if you have any questions.

Thanks,

Monika
