Personal & Confidential – James Rehob's Crown Counsel 4 Application (Charts to Support Reference Check)

Hi, Deputy (Serge). I am so grateful that you are able to act as my main client referee for my CC4 application. I had my interview (a panel of three MAG ADAGs) on Friday last (March 2nd). I think it went very well. There are always things I could improve upon, but I hope I left them with a fair appreciation of my role in advising senior executives such as yourself, developing innovative (often precedent-setting) legislation and the work we've done together on the first-in-Government IPO.

I've attached a chart that I used to prepare for the interview, and which summarizes my CC4 application in against the various key assessment criteria: Judgement, Expertise, Leadership and Work Complexity.

I had hoped you might find this useful – a handy reference tool – should MAG contact you for a reference.

I thank you very much again for your support, and please feel free to give me a call just to chat.

Kind regards,

James
