Deputy,

Attached are three products staff have prepared for the Energy Table. MO asked yesterday to book a DM-CoS briefing for tomorrow. Attached are:

- 1) Energy Table deck - revised from last DM-CoS briefing
- 2) Minister's Meeting Note
- 3) FN Delivery Credit Comms Brochure (once language is confirmed, will be translated into Fr/FN languages to be distributed at meeting)

In addition, CoS has suggested a signing ceremony for the COO capacity funding. IGS has the TPA ready for signature and is tracking up tomorrow. Staff recommend no signing ceremony since the TPA is between you and COO staff, not political staff.

Let me know if OK to share attached products with MO.

Thanks,

Jeet
