Hi Andrew,

CO asked for an update on the tracking of certain items (incoming email below). Staff have reviewed the items and below are some updates on the items (updates in blue font). Some of them are evolving, such as the LTEP LRC date, and the MTCC August 31 items.

Let us know if you are comfortable with us providing CO these updates.

Thanks,
Martin

Aug 29 LRC

- LTEP frequency reg (need materials soon to support item and TAED request)
 - Still tracking to August 29 LRC (TBC).

Aug 31 MTCC:

- Overnight Charge (Multi scheduled for Aug 24)
 - Update already provided to CO about pushing these items to a later MTCC date.
- First Nation Micro grid proposal (is this still on track for this week? No multi scheduled as previously discussed, but need to see materials soon if that approach is going to hold)
 - Update already provided to CO about pushing these items to a later MTCC date.

Aug 31 Cab

- LTEP modelling (multis scheduled etc.)
 - Still tracking to August 31 Cabinet date..

Unassigned- need to discuss where you think these might track to

- OFHP reg re FSM fees and OEB oversight- when needed etc.
 - No clear timing on OFHP meetings at this time.
- Possible OFHP reg pending outcome of Aug 16 briefing
 - No clear timing on OFHP meetings at this time.
- Possible OFHP reg amendment related to technical implementation issues
 - No clear timing on OFHP meetings at this time.
- LTEP OICs (LTEP doc and Implementation directives) –
 - Tracking to October 4 Cabinet.
- Possible direction re QC discussions
 - No clear timing at this time.
- Green Button- confirmation from PO of support for inclusion in FES. ENERGY to work with MOF and track to LRC in time for inclusion
 - Aiming for September 25 LRC date, which we understand is the last date to ensure inclusion in the FES.
- Net Metering- confirmation from PO of support for inclusion in FES. ENERGY to work with MOF and track to LRC in time for inclusion
 - Aiming for September 25 LRC date, which we understand is the last date to ensure inclusion in the FES.
