Subject: Re: Draft Ivey Policy Brief on generation costs

Hi Serge, we look forward to receiving your comments. I have availability for a call next week on Weds/Thurs/Friday. Alternatively, I shall be in Toronto on Tuesday next week and could meet between 1.30-4pm if you happen to be free then.

We have made a bunch of changes to the report this week, including dividing it into two parts. I am attaching the latest versions.

Best wishes,
Guy
