Hi Deputy,

PO has made some edits to the Comms deck for Cabinet tomorrow. The biggest change is that they have added two slides (5 & 6) on Public Opinion research.

Ok to share with MO?

Thanks,
Martin

Subject: Energy deck for green folders for Cabinet tomorrow

Good afternoon. PO had some edits to Energy's deck for Cabinet tomorrow. I have attached a version with edits marked in red, as well as a clean version.

The greatest change, as you'll see, is the addition of two slides of public opinion research.

James, I will follow up with you to ensure there's a plan to have an adequate number of hard copies delivered.

Any questions, please let me know.

Thanks
