Hi Craig,

We've incorporated your edits into the first attachment. Updates from the version from last night are highlighted in blue and yellow.

CO also shared a revised draft with us this morning, also attached here. We were comfortable with their updated, subject to them incorporating your further changes in.

Let us know if you have any further edits so they can be incorporated over the weekend.

Thanks,
Martin

Hi Martin,

Attached are MO comments on the pink note. There's a small chance some minor additional comments will come across tomorrow morning, but this should be the bulk of it. All substantial edits were flagged with comments, for easy identification.

Regards,
Craig
