Hi Deputy,

Attached is the joint MCSS-ENERGY TBS submission on OESP.

SNAP and Corporate ADMs have both reviewed/approved. ADM Burns has signed the attached Approvals Log.

MCSS re-affirmed in our Tuesday meeting that ENERGY is responsible only for the transfer amount (not for the FTEs at MCSS that the money will fund).

Regarding timing, MCSS is eager to get this signed this week, but we warned them on Tuesday that our DM, CoS, and Minister are all away.

In the meantime, we can progress by sharing with MO. Okay to share with MO?

Eric Martin
