Good evening Deputy,

Attached is a revised QA/KM document that CO requested re: FHP bill reductions. It includes messaging on FNDC, OESP, RRRP, LEAP, Affordability Fund, and distribution relief.

As most of the document is new messaging, I highlighted what I originally showed you earlier today and put dollar figures in bold font as CO requested specific examples of *how the government's policies are saving people money*.

OK to share?

Best,  
Michael
