Dear All – I understand people had difficulty opening the attachment. I have converted it to PDF so it should be readable now by most devices.

Steve,

Further to our meeting with the Dealers today, attached are a couple of charts showing the expected bill increases and debt service payments under the Fair Hydro Plan. The charts are based on OPG's refinement of the Province's financial model. As you can see, the curve is fairly steep.

We can discuss this at the Monday drafting meeting.

Regards,

Les
