OK to share with MO? Should we bring to FPC?

Subject: OPG GA Sensitivities

Hi Keley: attached is the OPG's sensitivity analysis. On Friday, we has asked OPG to includes higher gas prices, a demand sensitivity and an updated rate forecast.

We think it provides a "not-bad" illustration of the risks given the limited time OPG had to conduct the analysis.

Likely best to have OPG explain this at Fiscal Prep.

Cheers, Steen
