Hi Andrew,

The attached version of the LTEP modeling assumptions reflects your comments from the LTEP meeting earlier this week. We'd like to share these back officially with the IESO before the weekend, if possible.

Let us know if you are comfortable with this document being shared.

Good Evening:

I have some questions on this, so can we please discuss at our next "LTEP Themes" discussion, please – before IESO starts their modeling engines?

Many thanks, in advance.

Subject: LTEP Assumptions

Hi Andrew,

Attached are revised modelling assumptions from the IESO. We have reviewed and provided some comments/changes in the attached.

If you're comfortable, we'll share these with IESO and they can get modeling underway.
