Hello Serge. I apologize for the late hour but we did want to turn around a draft for your team today.

Therefore, here is a revised draft of the LTEP plan which addresses comments we received from you and your team, and a chart with responses to the detailed comments your staff provided Friday. This new draft has not yet been reviewed by Management Committee, so it may change tomorrow before transmission.

thanks, Mary Anne.

Mary Anne – here is a draft of the document suitable for distributing to the Ministry for review. (Clean, no comments, draft watermark).

I have also attached the document that compiles our responses to the ministry's comments last Friday.

Let me know if you need anything further.

Ceiran
