Hi Andrew,

Attached are products for tomorrow's LTEP themes briefing. Below is the agenda, which includes a walk-through of the IESO's LTEP assumptions, as requested.

Item 1: 9:30-10:00am: LTEP Assumptions
Item 2: 10:00-10:30am: Regional Planning
Item 3: 10:30-11:00am: Renewable Energy

While there are no decision points needed following our original briefing with you on Encouraging Greater Customer Choice, attached is the current version of the deck for your information. If you have any questions, we can address them at the briefing tomorrow as well.

We're finalizing the ordering of briefings for the remainder of the LTEP theme briefing times we have with you for March/April.
