Deputy,

Attached is a Minister's meeting note for the Minister's attendance at the Leaders in Legislature meeting next Wednesday. Also attached is a set of QnAs consistent with the four notes already shared with MIRR.

MO confirmed that speaking points not required.

OK to share with MO?

Hi Jeet,

Attached is a meeting note for the MIN's use at the Leaders of the Legislature meeting next Wednesday. IGS has reviewed and is good with this.

Also attached is a separate QAs document – this is consistent with the QAs that were included in each of the four LIL notes.

Thank you,
Arla

Arla,

As you heard in the briefing on OEB FN Rate, the Minister is attending the Leaders in Legislature.

Can we put together KM/QnAs for the QnA session he will be attending?

Also, I think the notes you sent up earlier would suffice but let me know if staff feel a Minister's meeting note is also required.

Thanks,

Jeet

The Minister is attending this event. Can we ensure we have materials for him (note, QAs, etc). Thanks.

Subject: Leaders in the Legislature

Dear Colleagues:

I am writing to thank you for your terrific support so far, as part of the planning for the Leaders in the Legislature event taking place from November 21-24, 2016, at the Eaton Chelsea Hotel in Toronto.

I wanted to reiterate that the event is an opportunity for the Government of Ontario to meet First Nation Chiefs to discuss needs and advance mutual priorities and to build constructive and cooperative relationships with First Nations in Ontario.

For your information, I am pleased to attach the latest draft agenda, which includes Ministers who have confirmed attendance at the various Q and A sessions. We are continuing to work with the Chiefs of Ontario to finalize the agenda for the event.

Thank you as well to your ministry staff who have been updating commitment tracking forms from last year's event and for completing briefing notes assigned for this year. Any ministry updates should be provided to Lars Eedy, Senior Advisor, in the Indigenous Relations and Programs Division at MIRR, (lars.eedy@ontario.ca).

MIRR has coordinated a team of cross-government volunteers who will be assisting with note taking and logistics. My staff will continue to have regular calls with your ministries and we will provide them with updates and revised materials as they become available.

Please contact Hillary Thatcher, Assistant Deputy Minister for Indigenous Relations and Programs Division at MIRR, if you have any questions. Hillary can be reached at 416-325-0304 or hillary.thatcher@ontario.ca.

I look forward to seeing you at this year's event as we work together to strengthen relationships with First Nations in Ontario.

In Friendship,

Deborah Richardson | Deputy Minister | Ministry of Indigenous Relations and Reconciliation |
