Hi Matt, James and Landon,

I understand there is some time on January 31 and February 1 to schedule briefings with the Minister. We have scheduled a couple briefings already (flagged below), and are proposing some additional briefings. We're not sure how much time there is available, so we have proposed a few different briefings and prioritized them as well.

We are also currently working to prepare a list of Minister's briefings we propose over the next couple months as well.

Let us know which of the below briefings you would like to schedule.

Thanks,  
Martin
