Hi Andrew,

Please find attached the final LRC submission. Minor tweaks were made throughout to ensure consistency of the language with the other submissions.

Also attached are the final legislation, compendium and variance memo. Please note that the legislation is still going through final editing and translation, but is appropriate for inclusion in our materials.

We would like to share these final materials with our Cabinet Office colleagues so that they can finalize their note. Please let us know if you have any concerns with sharing.

Thanks,
Martin
