

## Q/A Response

**Q. What types of small manufactures and industrials will become eligible for the Industrial Conservation Initiative (ICI) if the program is expanded to include electricity consumers between 500kW and 1MW under NAICS codes 31-33?**

**Small manufactures and industrials** that would be eligible to participate in ICI, include those sectors under North American Industry Classification System (NAICS) codes 31-33 (i.e., manufacturing) who are likely to have electricity consumers in the 500 kW-1 MW. These sectors include:

- Food and beverage (e.g., Maple Leafs Foods);
- Apparel;
- Plastics and rubber;
- Computers and electronics;
- Transportation equipment;
- Fabricated metal products (e.g., Automatic Coating);
- Chemicals; and
- Wood products.
