Hi Andrew,

TBS has notified us that we are required to track in to Treasury Board in February 2016 to recover funds from the Bulk Media Buy Fund. Our proposal would be to bring this forward to the February 6th TB meeting. Treasury Board has requested our materials for January 5, as they are going to be bundling all ministries submissions into a single package the Treasury Board meeting, but there is likely a little flexibility in that date.

Our other option would be to track to the February 27 Treasury Board date.

Let us know which date you would prefer we proceed to.

Thanks,
Hillary
