Martin:

Can DMO please undertake to put together three binders with all of these files, please?

Having these ready by 5.30pm today would be ideal.

Many thanks, in advance.

Thanks for this Martin.

Attached is a revised agenda (same items) but with some proposed timing and speaking roles. I have shared with COO for their input. Can you let me know if there is any feedback from our side?

On the Minister's opening remarks at the Leader's in Legislature afternoon session – we provided edits on this product and James (cc'd) is awaiting a revised version from comms (tracking for tomorrow morning).

Thanks,
Meaghan
