Hi Andrew,

Attached is the final Cabinet committee tracker that we will share with CO. We have included March 26 as the LRC date for net metering and Green Button.

Thanks,
Martin

Hi Andrew,

Attached is the revised Cabinet committee tracker.

For OESP, all items are bundled on the January 23 LRC date. You had also asked whether remotes needed a Cabinet date. As Cabinet has already agreed to the cost-sharing agreement, it is not currently anticipated that remotes would require a trip to Cabinet.

Thanks,
Martin
