Hi Mike,

Energy staff did the calculation. Do we know why Finance is curious? Are they planning to use it for the document?

Thanks,
Martin

Quelle surprise. Thanks, Martin.

The 6.5% calculation - is Energy the source or who that stat can be attributed to? Finance is asking.

Hi Mike,

Per Finance's suggestion, we have removed the tax measures options from the class B deck (updated version attached).

Thanks,
Martin
