Hi Andrew,

The proposed language is still being drafted. We're waiting for Leg Counsel's take on the text. We should have something to fill in that column shortly.

Thanks,  
Martin

Good Morning:

Reviewing the Motions tracker – I'm confused as to why 7(1); 7(2) and & 7 (3) includes text under "Current Provision" column but nothing under "proposed motion" column.  
If no change is required, then why would it be a motion?

Many thanks, in advance.

Andrew

Hi Andrew,

I think it would be best to wait until our Tuesday "OFHP Tracking" meeting.

Thanks,  
Martin

Good Morning:

Wondering if it would be appropriate for us to review this chart at the conclusion of the LSB "Legal Update" briefing this morning or if it would be best to wait until our Tuesday "OFHP Tracking" meeting? Just wondering given DM (and potentially Carolyn?) missing today?

Thoughts?

Hi Andrew,

Please find attached a draft motions chart including plain language explanations. As I mentioned yesterday, we are not sharing this with wider group as this document will be our instructions to Legislative Counsel for drafting the motions and is solicitor-client privileged. We will share the draft motions that we get back from Leg Counsel (in consultation form) with the accountants, OPG, IESO, OEB and the lawyers to the dealers to make sure they are ok with the proposed amendments. This is expected to happen next week.

Thanks,  
Martin
