Hi Andrew,

This does not require TB/MBC approval, but rather approval from the President of Treasury Board or the Deputy Minister of TBS.

Thanks,
Martin

Good Afternoon:

For greater clarity, what is required to gain MOF concurrence on this package? Do we need a visit to TB/MBC or just Dwight's signature?

Andrew

Hi Andrew,

Please find attached a draft version of the s. 28 package and draft indemnities for IESO and OPG related to the OFHP. Please note that these are still working their way through the system and may change.

Thanks,
Martin
