Subject: End of Summer Cocktails

Hi - hope you're enjoying the summer and getting some respite with the political side on recess (although Fair Hydro and other business no doubt more than filling the gap). We're planning a drop-in for drinks up your way in September and wondering how your schedule is looking on the 6th, 7th or 11th. (Energy Legal thought later in the month might get busier with possible Estimates commitments). Please let us know how things are looking - thanks! GRJ
