Hi.

Just thinking about this.

From Ministry deck :

Page 7 is interesting / granular and a bit confusing. Can we make sure that someone from OFA or OPG can explain the 4th main bullet (the bit about proposed interest rates on subordinated debt) please? I've read this page several times this evening and I don't think I fully get it, so want to ensure we are being clear with Minister.

Page 11 and 12 - Things have been moving quickly, but it talks about OESP / OEBA amendments going to LRC on 11 December. I thought those were pulled? Can we confirm please?

Many thanks, in advance.

Andrew
