Hi Andrew,

Unfortunately, the speech is in development and still needs to be reviewed by divisions, so we will be unable to send it over this afternoon. We were working towards sharing the speech mid-week, which was discussed with your staff on Friday. We can work to have divisions/legal to try to expedite review on Monday and aim to have something to you for concurrent review that evening.

Thanks,
Martin

Good Morning:

Can someone please send me the second reading lead-off remarks drafted for Minister.

Really need to review these ASAP.

60 mins of lead-off remarks for 2nd reading. Still not sure if will be splitting time with PA (30 / 30).

Any chance these can come over this afternoon, please?

Many thanks, in advance.

Andrew

Hi Andrew,

I understand that the direction is that the Minister's statement is no longer required for the introduction of the legislation. Can you please confirm?

Thanks,
Martin
