Hi Matt,

Attached is a revised draft of the TB submission, which includes edits mostly from MOF LSB (tracked version also attached). This version also includes the draft term sheet. The name of the agreement has changed yet again. It's now called the "Change of Law Protection Agreement".

Let me know if you are comfortable with this version and we can track a signing copy up today.

Thanks,
Martin

Hi Matt,

No, it is substantially similar to the previous version I shared. This just represents the final version received from the OFA incorporating our edits.

Staff will still do one final review to ensure we have no further comments, but wanted to pass along in case you had any edits/comments.

Thanks,
Martin

Hi Martin

I had been reviewing the previous draft of this. Just wondering if there are any material changes aside from the name of the agreement.

Thanks
Matt

Hi Andrew,

Attached is the latest draft TB submission on the Provincial Support Agreement (which has now been signed off by the OFA). It is now called the Change of Law Assumption Agreement instead of Support Agreement.

We are tracking to secure Minister signature by end of day Wednesday and will send along a signing package.

Thanks,
Martin

Hi Andrew,

Attached are staff comments/edits to OFA's PG TB-sub.

The OFA is looking for comments by EOD today, so that they can get Gadi's sign off.

Let us know if you are comfortable with sharing these comments/edits with the OFA.

Thanks,
Martin
