Hi Deputy,

Staff have added some additional detail / examples to the attached – both clean and tracked. Let me know if this hits the mark or if you have any additional questions.

I'll bring by a hardcopy of the clean one for your binder this evening.

Thanks,
Martin

Hi. For each bullet in the initiatives section of the hydro one board presentation, can you provide some examples of the barriers or initiatives we are thinking about. For example, we say we want to remove regulatory barriers to innovation - what barriers? Hopefully, I can get something by noon.

Serge
