Good Afternoon,

Attached are the revised backgrounders with edits and comments. Can we consolidate the RRRP and HST into a single "Residential" BG. Thanks.

Good evening,

For concurrent review, please find attached some of the comms material. Note that we are looking into using 'rebate' in the NR as we just discussed.

We will aim to get the other comms material over as soon as possible tomorrow.

Hi Keley,

Attached is the revised NR. A few comments included.

In terms of moving this product forward, this version should form the core of three versions slightly tweaked to meet the needs of the specific announcement;

1. Minister's announcement NR
2. MPP Echo Template NR
3. Bill Introduction NR

Thanks.

Hi Hillary,

Please find attached MO edits to the NR. Apologies if the changes don't appear to have tracked, they should show up on the 'mark up' version.

Would hope to see another turn back from DMO to MO by end of day Tuesday.
