Subject: FW: OFHP - fees for the Financial Services Manager

Hi Deputy,

I'm slow to send this – Legal sent it to me Thursday morning.

I can't tell from Carolyn's email if we want to share this with MO or not. If I don't hear from you, I'll assume not.

For reference, the note says next steps are:

Ministry to meet with OPG to discuss options. OPCD should be included.

LSB will continue to look for precedents.

Thanks,

Eric Martin

Hi Eric – one issue that we parked in June is the treatment of fees for OPG operating as the Financial Services Manager. The attached note tries to describe the impasse we are at with OPG and present some options for moving forward. This note is intended to support a business level discussion that we will have to have sooner or later with OPG to resolve this issue. I mentioned to the Deputy last week that we would do a note on this issue.
