I spoke to TBS MO yesterday and they should be arranging to have OPG BP on the agenda for the 10th.

They are going to hold MNO on for now, but expressed need to see some draft materials asap.

I told them I hoped to have something to them today.

Thanks
Matt

Yes it can be shared.

I'll let you know how my call goes. Does it look like there will be draft MNO materials to share today?

Thanks
Matt

Hi Matt,

Attached is a draft TB deck for the OPG Business Plan. TBS is pushing for us to get them something today – and has asked that MO reach out to put us on the April 10th agenda (as we were originally tracking). Can you follow up with TBS on this when you discuss the MNO item with them?

Let us know if you are comfortable with us sharing this with TBS.

Thanks
Martin
