Subject: PDG Priority Files Update Deck- For review- Due Aug 23 noon

Hi Deputy,

Please see below. CO has been asked to prepare a priority file update for their DM to present to PDG on September 14. For Energy, this means the OFHP and LTEP. We have been asked to review and provide edits by noon tomorrow.

Attached are coordinated edits from staff across divisions.

Ok to share with MO and then CO?

Thanks,
Martin

Subject: PDG Priority Files Update Deck- For review- Due Aug 23 noon

Hi Martin:

CO has been asked to prepare a priority file update for our DM to present to PDG on September 14. For Energy, this means the OFHP and LTEP. I have completed the template and have attempted to even populate some "measures of success" as placeholders and initial ideas.

I do not want to be putting forward unsupported or inappropriate performance measures, so please have staff review these carefully and they should feel free to delete what is there and propose others as appropriate. More specific the better, if possible, but also keeping in mind the space restrictions.

Unfortunately, we are being asked to have this ready for Thursday afternoon, so please provide edits and suggestions by noon Thursday.

Thank you,

Tim Hindmarch-Watson
